

## **Dear Friends and Fellow Business Owners,**

I am pleased to take on the Presidency of the Historic Antique Row Business Association. I hope that over the coming year we can do some creative things to promote our businesses and improve the business climate within HARBA's boundaries. Our district now includes businesses and residents from 11<sup>th</sup> Street to Locust, and Portico Row from 9<sup>th</sup> to 10<sup>th</sup> Streets on Spruce and 10<sup>th</sup> Street from Spruce to Locust.

I welcome the new businesses and residents and think if we work together, we can market our district more effectively as a destination for shopping and dining among a variety of constituencies. HARBA is in the process of updating its website.

Our neighborhood is very important to me professionally and personally. As a REALTOR® with Coldwell Banker, my "beat" takes in all of Washington Square West which includes HARBA's district. I am also President of Washington Square West Town Watch, Inc.

I live just off Pine Street, in Washington Mews, at 11th and Lombard Streets. My wife and I shop at the many fine stores in Historic Antique Row. We also enjoy dining at the excellent restaurants in the area. We have pizza at least once a week at Pine Street Pizza and have logged many delicious hours at Mixto and Effie's. When people ask me what I think about this or that restaurant around Center City, I tell them I've not gone there. I just frequent the places in our neighborhood.

We are already making a difference in our neighborhood by using grant money awarded HARBA through State Representative Babbette Josephs and the Greater Urban Affairs Coalition clean the streets in our district and to update HARBA's Website. Grant dollars from the same source will be passed through HARBA to Portico Row.

I'm looking forward to talking with you and the other business owners in the area to see what we can do together to help our neighborhood prosper. I hope you will join HARBA and work with me to develop a more strategic direction for our Business Association. Please complete the attached membership form and mail it with your check to Jack Dewaele, HARBA Treasurer, at the address listed on the form. In the meantime, if you have a concern about the neighborhood please call me on my cell at 215 219 5825.

I look forward to an enjoyable and successful year with HARBA.

Happy New Year and thanks again for the chance to serve you.

Sincerely,

**Tim Bosworth, Ph. D.**
